The best part about casting Brazilian Quimbanda magical spells and cleansing rituals is that they work very fast. All of the following Brazilian Quimbanda spells and cleansing rituals are real and authentic. I have personally used all of them over the past years in my spiritual practice of traditional Brazilian Quimbanda with much success. All of the following spells and cleansing rituals should be followed exactly as they are presented here in this book if you want to see fast magical results and success. The following book was written to introduce interested individuals who are presently incarcerated to explore and to experience the supernatural power and strength of Brazilian Quimbanda. I hope that you enjoy them as I have over the past years of working with the spirits and deities of the sacred Seven Quimbanda Kingdoms.
