When in Doubt, Add Butter Beth Harbison

From *New York Times* bestselling author of *Shoe Addicts Anonymous* and *Always Something There to Remind Me* Beth Harbison comes *When In Doubt, Add Butter*, a scrumptious new novel about food and love, and the longings of the heart...

As far as Gemma is concerned, her days of dating are over. In fact, it's her job to cater other peoples' dates, and that's just fine by her. At thirty-seven, she has her own business, working as a private chef, and her life feels full and secure. She's got six steady clients that keep her hands full.

There's Lex, the fussy but fabulous department store owner who loves Oysters Rockefeller and retro party food; Willa, who needs to lose weight under doctor's orders but still believes butter makes everything better; a colorful family who may or may not be part of the Russian mob; an überwealthy Georgetown family; the picture-perfect Van Houghtens, whose matriarch is "allergic to everything"; and finally, a man she calls "Mr. Tuesday," whom she has never met but to whom she feels a magnetic attraction, in part, due to his taste for full-on comfort food.

For Gemma, cooking is predictable. Recipes are certain. Use good ingredients, follow the directions, and you are assured success. Life, on the other hand, is full of variables. So when Gemma's takes an unexpected turn on a road she always thought was straight and narrow, she must face her past and move on in ways she never would have imagined. Because sometimes in life, all you need is a little hope, a lot of courage, and---oh yes---butter.

From reader reviews:

David Ochoa:

The book *When in Doubt, Add Butter* can give more knowledge and also the precise product information about everything you want. So why must we leave the best thing like a book *When in Doubt, Add Butter*? Wide variety you have a different opinion about e-book. But one aim which book can give many information for us. It is absolutely proper. Right now, try to closer with your book. Knowledge or facts that you take for that, you may give for each other; it is possible to share all of these. Book *When in Doubt, Add Butter* has simple shape nevertheless, you know: it has great and large function for you. You can search the enormous world by open up and read a e-book. So it is very wonderful.

Mary Flynn:

Reading a reserve tends to be new life style within this era globalization. With looking at you can get a lot of information that may give you benefit in your life. Along with book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their reader with their story as well as their experience. Not only the storyplot that share in the guides. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors in this world always try to improve their skill in writing, they also doing some research before they write for their book. One of them is this *When in Doubt, Add Butter*.

Elsie Wallace:

People live in this new moment of lifestyle always try to and must have the spare time or they will get lot of stress from both lifestyle and work. So , if we ask do people have extra time, we will say absolutely sure. People is human not really a huge robot. Then we ask again, what kind of activity do you possess when the spare time coming to you of course your answer may unlimited right. Then do you try this one, reading books. It can be your alternative throughout spending your spare time, often the book you have read is actually *When in Doubt, Add Butter*.

Lisa Williams:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this *When in Doubt, Add Butter* can make you sense more interested to read.
