I had been struggling in Professor Dax's Calculus class all semester. Barely holding on to a C, so imagine the stress I felt when I arrived to the final exam thirty minutes late. My lemon of a car had been giving me so many issues. To keep my academic scholarship for this prestigious school, a 4.0 is required. What would I have to do to convince Professor Dax to allow me to take the exam? How far would I go to obtain an A+?

Imagine my surprise when the professor gave me an offer I couldn't refuse. In exchange for the grade that could secure my education and bonus financial security, he only asked that I allow him to give me pleasure that my body had never known and give him a baby.
