Auras: The Ultimate Guide is a journey into the one of the most intimate elements in the human existence. That element is so powerful that it shines to such a degree some have developed the ability to actually see it. The aura is as unique as the person from whom it emanates and this eBook will help you develop your sensibilities to sense or see them.

What are the necessary tools to develop your sensibilities to read auras? What type of preparation is necessary? How can I tell the difference between good and dark auras? Why would I want to refine this skill to begin with? All those questions and a lot more will be answered in Auras: The Ultimate Guide.

This eBook is written in a manner that is easy to read, easy to understand and not filled with confusing abstractions. You will find practical applications to what would otherwise befuddle and confuse because of the nature of the topic itself.

The Ultimate Guide will cover::

- What is an aura?
- Mental/spiritual preparedness.
- Defining color spectrum.
