International Handbook of Research in Arts Education 2-volume set (Springer International Handbooks of Education)

Providing a distillation of knowledge in the various disciplines of arts education (dance, drama, music, literature and poetry and visual arts), this essential handbook synthesizes existing research literature, reflects on the past, and contributes to shaping the future of the respective and integrated disciplines of arts education. While research can at times seem distant from practice, the Handbook aims to maintain connection with the live practice of art and of education, capturing the vibrancy and best thinking in the field of theory and practice. The Handbook is organized into 13 sections, each focusing on a major area or issue in arts education research.
