Sean Coleman is back in the latest thriller from John A. Daly, set in the mountains of Winston, Colorado. Six months after the murder of his uncle, Sean is trying to get his life together. He's stopped drinking, he's taking better care of himself, and he's working hard to keep a fledgling security business afloat. At a blood plasma bank Sean frequents to earn extra income, he meets the distraught relative of Andrew Carson, a man who went missing weeks earlier on the other side of the state, with a pool of blood in the snowy driveway of his home as the only clue to the man's fate. Sean decides to help in the search for Carson and quickly finds himself immersed in a world of deception, desperation, and danger---a world in which nothing is what it seems, and few can get out of with their lives.
