Red Right Hand Levi Black

Charlie Tristan Moore isn't a hero. She's a survivor. Already wrestling with the demons of her past, she finds herself tested as never before when she arrives home one night to find herself under attack by three monstrous skinhounds straight out of a nightmare. Just as hope seems lost, she is saved by a sinister Man in Black, dressed in a long, dark coat that seems to possess a life of its own and wielding a black-bladed sword in his grisly red right hand.

But her rescue comes at a cost. The Man in Black, a diabolical Elder God, demands she become his Acolyte and embrace a dark magick she never knew she possessed. To ensure her obedience, he takes her friend and possible love, Daniel, in thrall as a hostage. Now she must join The Man in Black in his crusade to track down and destroy his fellow Elder Gods, supposedly to save humanity from being devoured for all eternity.

But is The Man in Black truly the lesser of two evils—or a menace far more treacherous than the eldritch horrors she's battling in his name?
