Book 1 - ESSAY Writing: How to Write an Essay in 4 SIMPLE Steps in Any Subject.

If you have had difficulties in writing before, this book will radically change your life. Its reader-friendly and conversational tone make this book easy to understand. It's like your personal coach guiding you as you try your hands in prewriting, brainstorming, writing your draft, and, editing your output.

It is true that writing is the most difficult skill to master among the language abilities, there is indeed a fun to it. Writing need not be boring and torturous. You just need to start from the basics and gradually move your way up. There are a lot of misconceptions about writing, and these misnomers probably arose from the excuses people came up with because they could not write. This book will attempt to shed light on those issues.

Book 2 - How to Take NOTES Effectively: The 7 KEY Steps to Note Taking for Maximum Memory Retention

This book contains proven steps and strategies on how to make the most out of your note-taking efforts. These simple note taking lessons will help you study more efficiently and create study skills and habits for future exams.

From your days in first grade up until your classes in postgraduate school, taking notes is perhaps the one activity that remains to be a constant. Unless you have a photographic memory, there is pretty much no other way for you to remember all your lessons other than to take notes! If you do not take notes effectively, it could really hurt your grades!

Book 3 - How to STUDY: 9 Easy Steps to Become a Straight-A Student in Every Subject

Every student aspires for excellent marks in his or her studies. After all, in the current educational system, there's no better proof of your hard work and commitment to your studies than having excellent marks.
