The Raven (Illustrated and Annotated): Illustrated and Commentated Edition

Edgar Allan Poe

The Raven (Illustrated and Annotated): Illustrated and Commentated Edition Edgar Allan Poe
Comes with the illustrations by Gustave Doré and commentary by Edmund C. Stedman

"In Gustave Doré, one of the most prolific and successful book illustrators of the late 19h century, Edgar Allan Poe's renowned poem The Raven found perhaps its most perfect artistic interpreter. Doré's dreamlike, otherworldly style, tinged with melancholy, seems ideally matched to the bleak despair of Poe's celebrated work, among the most popular American poems ever written."
