WARNING

There are a couple of scenes in here that could be triggers for some abuse survivors. I did my best to be considerate of the sensitive readers while remaining true to the authenticity of the scenes.

The fight is on in this installment, Mercy is holding nothing back in her endeavor to prove to Sade he can experience love and pleasure. Sade, however has other plans and his darkness is front and center in them.

Meanwhile, Father Abraham is still on the loose with a score to settle with them all and no one is safe from his wrath.

Will love conquer all in this story? Can the heart really be used to recondition the brain? Find out what happens in this Dark Conclusion.
