Behold, Here's Poison (Country House Mysteries) Georgette Heyer

Experience Georgette Heyer's sparkling dialogue in one of her most popular mysteries.

It's no ordinary morning at the Poplars - the master is found dead in his bed and it turns out that his high blood pressure was not the cause of death. Heyer uses her attention to detail and brilliant characterizations to concoct a baffling crime for which every single member of the quarrelsome family has a motive, and none, of course, has an alibi. Heyer's sparkling dialogue is a master class in British wit, sarcasm and the intricacies of life above and below stairs.

Meet the Matthews - before the next one dies...

It's no ordinary morning at the Poplars - the master is found dead in his bed, and it seems his high blood pressure was not the cause. When an autopsy reveals a sinister poison, it's up to the quietly resourceful Inspector Hannasyde to catch the murderer in time to spare the next victim. But every single member of the quarrelsome Matthews family has a motive and none, of course, has an alibi.
