*When violent memories come racing back, he is her only hope...*

Helen Winters was living a lonely existence when the charming Dr. Liam Larson coaxed her out of solitude with the promise of healing her sightless eyes. She was hopeful at the prospect of gaining vision for the first time and being reunited with her family. She was also growing somewhat fond of the persuasive young doctor. For the first time in years, she was being magnetically drawn to a new friend...

Then everything came crashing down.

Plunged into a hellish nightmare, Helen is forced to face the same evils she ran away to escape so long ago. She is unprepared to have her hopes crushed and her peace destroyed. She finds herself living in constant terror and drowning in fear--and Liam's voice is the only thing that can keep her afloat. His comforting touch becomes the only light in her pitch-black darkness. Helen has always been a tough girl who relied only on herself. But this time, she can't survive alone. Due to the horrors of her past, Helen has promised herself not to trust anyone. When her life becomes unbearable, how can she trust Liam enough to let him save her?
