Encountering Ancient Voices (Second Edition): A Guide to Reading the Old Testament PhD Corrine L. Carvalho

The new second edition of Corrine Carvalho's widely popular core text maintains the features, pedagogy, and engaging style that made the first edition so effective and successful, while adding a new element that makes it accessible to even more students than ever. The tone of the text is inclusive and does not presume a specifically Christian or religious reader; there's a new key to biblical texts discussed in the book, listed in canonical order in the front matter of the book; and the style of the book brings the stories of the Old Testament to life for students.

Flexible, understandable, and filled with sound pedagogy--chapter overviews and summaries; guided readings of key biblical texts; and unique sidebars focusing on different aspects of, themes in, and methods for interpreting biblical text--*Encountering Ancient Voices* sparks students' interest in theological questions by connecting their queries to their everyday world. With its focus on reading strategies and active learning techniques throughout, it's an approach that empowers students to read the Old Testament on their own.

Thomas Schwan:

As a student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Encountering Ancient Voices (Second Edition): A Guide to

Reading the Old Testament can make you experience more interested to read.
