Race, Culture and Counselling Colin Lago

Communication is key to the therapeutic relationship, and culture and language are at the core of communication. The first edition of *Race, Culture and Counselling* was a groundbreaking text on the subject; this new edition is significantly revised to include new perspectives on the impact of race, culture, and language in therapy. Topics discussed include:

- Important issues concerning race and power
- The impact culture has on communication
- How dominant theories influence counseling
- The concept of mixed-identity therapeutic relationships
