Anthem, Centennial Edition

Ayn Rand

Anthem, Centennial Edition Ayn Rand

He lived in the dark ages of the future. In a loveless world he dared to love the woman of his choice. In an age that had lost all trace of science and civilization he had the courage to seek and find knowledge. But these were not the crimes for which he would be hunted. He was marked for death because he had committed the unpardonable sin: he had stood forth from the mindless human herd. He was a man alone. Ayn Rand's classic tale of a future dark age of the great "We" - a world that deprives individuals of name, independence, and values. This centennial edition, celebrating the controversial and enduring legacy of its author, features an introduction by Rand's literary executor, which includes excerpts from documents by Ayn Rand - letters, interviews, and journal notes in which she discusses Anthem. This volume also includes a complete reproduction of the original British edition with Ayn Rand's handwritten editorial changes and a Reader's Guide to her writings and philosophy.

The price is not too expensive but this book possesses high quality.

Kathleen Bonds:

Reading can called imagination hangout, why? Because when you are reading a book especially book entitled Anthem, Centennial Edition your head will drift away trough every dimension, wandering in each and every aspect that maybe unfamiliar for but surely can become your mind friends. Imaging every word written in a reserve then become one application form conclusion and explanation this maybe you never get just before. The Anthem, Centennial Edition giving you a different experience more than blown away your head but also giving you useful facts for your better life in this era. So now let us demonstrate the relaxing pattern is your body and mind will likely be pleased when you are finished looking at it, like winning a casino game. Do you want to try this extraordinary shelling out spare time activity?

Darlene Gutierrez:

This Anthem, Centennial Edition is great publication for you because the content that is certainly full of information for you who also always deal with world and get to make decision every minute. This particular book reveal it information accurately using great coordinate word or we can say no rambling sentences inside it. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but tricky core information with beautiful delivering sentences. Having Anthem, Centennial Edition in your hand like finding the world in your arm, data in it is not ridiculous just one. We can say that no e-book that offer you world with ten or fifteen small right but this book already do that. So , this is certainly good reading book. Heya Mr. and Mrs. busy do you still doubt this?
