Confessions . . . of a prison psychologist

Billy Haddock

Confessions . . . of a prison psychologist Billy Haddock

A former prison psychologist wakes up in jail one morning after killing a warden and 4 other prison employees with no memory of why he did it. He spends the next two weeks confessing to a priest in order to figure out the motivations beneath the murders. The surprise ending weaves a lot of abnormal psychology into the story reflecting the tangled web of dysfunctional behaviors that silently lie beneath the mask of normalcy.
