*****Driven by Desire is part of the Rugged series and can be read as a stand-alone contemporary romance story.*****

Tanya gets in way over her head when she decides that the cure to her lovesickness includes playing the field to her advantage. She vows to enjoy one reckless night with a man to help rid her mind of the ex who trashed her heart. There is one who fits the bill.

Marcus is the complete opposite of Tanya's ex. As a member of Rugged Riders, a notorious biker club, he and his brothers are known for their street-savvy swagger and their wicked ways with women. When they first meet up, Tanya and Marcus attain a mutual understanding, and she knows just what to expect from him--a thrill ride when she needs it and nothing more. When Tanya finds out that Marcus has more in common with her ex than she thought, she sets up even more barriers to guard her heart.

Not only is Marcus a beast in bed and a thrill seeker behind his bike, he dominates in the boardroom as CEO of multi-million dollar company, Svelte Technologies. He's no stranger when it comes to the game of pursuing what he wants. And Marcus wants Tanya for real and in his life exclusively. Tanya will need more than just a helmet when she's driven by desire.
