Eight years at an exclusive Swiss boarding school have given Jordy Valentine an impressive education. But the things he really wants to learn-like how to make friends, fit in, and find a lover-have eluded him. He's hoping college will change everything. . .

From the start, Jordy is intrigued by the Beta Kappa fraternity-especially by handsome rush chair Chad York. Dazzled by Chad's flirting, Jordy is crushed when Chad cruelly rejects him on Initiation Night. But if Chad doesn't want Jordy, plenty of other guys do! Especially once he begins to work out and transform his body. Suddenly Jordy is free to indulge every deep desire he's ever had-from illicit locker room trysts with his personal trainer to fun, frenzied encounters at the local dance club and his frat house to exhilarating, uninhibited online hookups. In time, Jordy will have to decide what matters more-revenge against Chad, or the chance at an incredible connection that satisfies in every way.

Intensely erotic and irresistibly real, *Games Frat Boys Play* is a delicious initiation into the ways of lust, love, and raw desire. . .
