The God of Fate and Chaos: a novel Dan LaVigne

In California, a mathematical prodigy is working to reverse engineer an artifact that could have been the true design of the Ark of Noah. On an Indonesian island, a surgeon labors in humble conditions, awaiting permission to dive into an undersea crater considered sacred by the monks who rule there. In the 17th century, a pilgrim searches Northern France for a miracle that will make his holy order victorious over their sworn enemies. Across time and distance the lives of these three people are about to converge as their respective goals come into view, but they are not alone. They will encounter an ex-CIA operative with the ability to read minds, a serial killer who stages his crimes to recreate the crucifixion, and an Alchemist and his familiar performing dark magic in an ancient tower. Taken individually, their involvement would be strange and disturbing, but collectively they may outline the presence of a mysterious outside force with an agenda of its own. In this debut novel, Dan LaVigne blends historical fact, scientific speculation, and the mystery of faith into a fast paced, thought provoking thriller.

From reader reviews:

Danny Chamberland:

What do you ponder on book? It is just for students as they are still students or it for all people in the world, what best subject for that? Just you can be answered for that issue above. Every person has several personality and hobby for every single other. Don't to be forced someone or something that they don't want do that. You must know how great and also important the book The God of Fate and Chaos: a novel. All type of book is it possible to see on many resources. You can look for the internet solutions or other social media.

Michael Hansen:

Reading a e-book can be one of a lot of activity that everyone in the world enjoys. Do you like reading book consequently. There are a lot of reasons why people enjoyed. First reading a e-book will give you a lot of new data. When you read a book you will get new information due to the fact book is one of several ways to share the information or maybe their idea. Second, studying a book will make anyone more imaginative. When you examining a book especially fictional book the author will bring you to definitely imagine the story how the figures do it anything. Third, you could share your knowledge to other folks. When you read this The God of Fate and Chaos: a novel, you could tells your family, friends along with soon about yours reserve. Your knowledge can inspire average, make them reading a book.

Patricia Stokes:

Your reading sixth sense will not betray a person, why because this The God of Fate and Chaos: a novel publication written by well-known writer whose to say well how to make book that can be understand by anyone who all read the book. Written within good manner for you, still dripping wet every ideas and publishing skill only for eliminate your own hunger then you still skepticism The God of Fate and Chaos: a novel as good book not just by the cover but also by content. This is one reserve that can break don't assess book by its protect, so do you still needing an additional sixth sense to pick this!?! Oh come on your reading through sixth sense already alerted you so why you have to listening to yet another sixth sense.

James Rohrbach:

This The God of Fate and Chaos: a novel is great reserve for you because the content which is full of information for you who all always deal with world and have to make decision every minute. This specific book reveal it facts accurately using great plan word or we can declare no rambling sentences included. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but hard core information with attractive delivering sentences. Having The God of Fate and Chaos: a novel in your hand like finding the world in your arm, information in it is not ridiculous one particular. We can say that no book that offer you world within ten or fifteen moment right but this e-book already do that. So , this is good reading book. Hello Mr. and Mrs. busy do you still doubt in which?
