The Truth About Drugs and Teens:: An Informed Perspective Jessica Lohman

Few people have detailed information about drug use. The Truth About Drugs and Teens: An Informed Perspective is designed to be a resource guide for young people to assist in identifying the risks associated with accessible drugs in the community. It empowers them to take their future into their own hands by becoming educated on the subject and stepping forward in that knowledge. The information provided is helpful for parents and professionals in creating an awareness of the temptations facing today's teens by being exposed to their world.
