Reporter Emily Baxter has a great job, an apartment in Manhattan, and a boyfriend she loves. All that changes the day the red rain falls from a cloudless sky. Just hours after the first reports from Europe, humanity is on the brink of extinction, wiped from the face of the earth in a few bloody moments, leaving Emily alone in an empty city. As she struggles to grasp the reality of her situation, Emily becomes the final witness to the end of our world... and the birth of a terrifying new one.
