This regulation revises several regulations that cover the education and training of foreign personnel, and implements DOD 5105.38–M. It prescribes policies, responsibilities, procedures, and administration for the education and training of international military students by the Departments of the Army, the Navy, and the Air Force as authorized by the U.S. security assistance legislation. This regulation deals specifically with training under the International Military education and Training Program, the Foreign Military Sales Program, and related programs; and contains instructions on the U.S. Field Program.
