#### Hayden Wright:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's internal or real their passion. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The history of the telephone (Volume 2) can make you feel more interested to read.
