The Taliban Don't Wave Robert Semrau

Captain Robert Semrau's military trial made international headlines—a Canadian soldier serving in Afghanistan arrested for allegedly killing a grievously wounded Taliban soldier in the field. The trial and its outcome are a matter of public record. What you are about to read about the tour of duty that inspired this book is not.

What you are about to read is an emotionally draining and mind-snapping firsthand account of war on the ground in Afghanistan. It's raw and explosive. Names have been changed to protect the brave and not so brave alike.

What you are about to read is an account of soldiers who live, fight and die in a moonscape of a country where it's sometimes hard to tell your friend from your enemy. It's about trying to hold it together when a mortar attack is ripping your friends and allies apart, and your world unravels before your eyes.

Rob Semrau wrote this book to tell us about the sheer hell that is the Stan, but also to recognize the incredible courage and compassion he witnessed in the heat of battle. The soldiers you are about to meet and the events that befall them will linger on in your mind long after you have closed these pages.

From reader reviews:

Samantha Flowers:

What do you think about book? It is just for students since they're still students or that for all people in the world, what best subject for that? Just simply you can be answered for that concern above. Every person has different personality and hobby per other. Don't to be forced someone or something that they don't would like do that. You must know how great and important the book The Taliban Don't Wave. All type of book can you see on many methods. You can look for the internet options or other social media.

Rebecca Moreno:

What do you regarding book? It is not important along with you? Or just adding material if you want something to explain what yours problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Everyone has many questions above. The doctor has to answer that question simply because just their can do that will. It said that about publication. Book is familiar on every person. Yes, it is appropriate. Because start from on kindergarten until university need this specific The Taliban Don't Wave to read.

Deanne Mohammed:

Your reading 6th sense will not betray you actually, why because this The Taliban Don't Wave book written by well-known writer who really knows well how to make book that may be understand by anyone who also read the book. Written within good manner for you, leaking every ideas and publishing skill only for eliminate your own personal hunger then you still uncertainty The Taliban Don't Wave as good book not merely by the cover but also by the content. This is one book that can break don't ascertain book by its protect, so do you still needing a different sixth sense to pick this kind of!? Oh come on your studying sixth sense already told you so why you have to listening to another sixth sense.

Joe Williams:

This The Taliban Don't Wave is great reserve for you because the content which can be full of information for you who always deal with world and still have to make decision every minute. This book reveal it data accurately using great coordinate word or we can claim no rambling sentences within it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but hard core information with beautiful delivering sentences. Having The Taliban Don't Wave in your hand like obtaining the world in your arm, facts in it is not ridiculous one particular. We can say that no guide that offer you world throughout ten or fifteen second right but this book already do that. So , this is certainly good reading book. Hi Mr. and Mrs. active do you still doubt this?
