From bestselling author Noel Hynd comes this new series, *The Cuban Trilogy*, bursting with intrigue and set against the backdrop of Havana, an explosive capital city of faded charm, locked in the past and torn by political intrigue. U.S. Treasury Agent Alexandra LaDuca leaves her Manhattan home on an illegal mission to Cuba that could cost her everything. At stake? Her life ... and the solution to a decades-old mystery, the recovery of a large amount of cash, and the return of an expatriate American fugitive to the United States. After slipping into the country on a small boat, Alex makes her way to Havana. Accompanying her is the attractive but dangerous Paul Guarneri, a Cuban-born exile who lives in the gray areas of the law. Together, they plunge into intrigue and danger in a climate of political repression and organized crime. Without the support of the United States, Alex must navigate Cuban police, saboteurs, pro-Castro security forces, and a formidable network of those loyal to the American underworld. Bullets fly as allies become traitors and enemies become unexpected friends. Alex, recovering from the tragic loss of her fiancé a year before, reexamines faith and new love while taking readers on a fast-paced adventure. If you enjoy thrillers such as those by John le Carré, David Baldacci, and Joel Rosenberg, you'll love this series.
