I can't get enough of Violet, the submissive brat that lives in the basement apartment underneath my house that I share with my wife Cynthia. She's so much hotter than my wife, and likes it rough, just like I do. Even when she has a girlfriend spending the night with her, I can't resist coming down to visit, and things really heat up between me, Violet, and her hot friend Jill. I know what I'm doing is so, so wrong, but I can't resist risking everything to fill her every chance I get... Violet is just too hot to ignore and she loves to submit.
