Jacksonian Antislavery and the Politics of Free Soil, 1824-1854

Jonathan H. Earle

Jacksonian Antislavery and the Politics of Free Soil, 1824-1854 Jonathan H. Earle

Taking our understanding of political antislavery into largely unexplored terrain, Jonathan H. Earle counters conventional wisdom and standard historical interpretations that view the ascendance of free-soil ideas within the antislavery movement as an explicit retreat from the goals of emancipation or even as an essentially proslavery ideology. These claims, he notes, fail to explain free soil's real contributions to the antislavery cause: its incorporation of Jacksonian ideas about property and political equality and its transformation of a struggling crusade into a mass political movement.
