This book will have you laughing out loud and enthusiastically sharing them with your family, friends and neighbors. A mountain of rib-tickling laughs are guaranteed with this wild assortment from one of the Adirondacks' funniest native sons—comedian, multi-award winning writer and best-selling humorist Bob Shelley. You'll discover jokes (and trivia quizzes) about the weather, the High Peaks, the resort towns like Lake Placid, Saranac Lake, Lake George and Old Forge, skiers, skaters, anglers, hunters, hikers, climbers, canoeists, kayakers, snowmobilers, snowboarders, lumberjacks, the Winter Olympics and the wonderfully funny and unique characters and oddballs to be found in the USA's Largest State Park!

Bob Shelley has made his mark as a best-selling humorist, award-winning writer, television talk show host, disc jockey, stand-up comic, hypnotist and magician. He has also written for numerous television shows and is the author of more than 25 books and hundreds of newspaper and magazine articles.

He's been faithfully saving every funny joke, anecdote, tall tale and amusing story or humorous reference to the Adirondacks since he was knee-high to a Brown Bear. Any joke he heard or read any joke by anyone, anywhere that had anything whatsoever to do with The Adirondacks, its people, mosaic culture, heart-stopping beauty, flora and fauna was fair game.

The stories will make history of the Adirondacks come alive for you. They capture the personality and the spirit and the wit and the humor of the men and women who built the settlements that became communities that are the destinations of millions of people from all over the world throughout the year. You'll discover famous Adirondack visitors like Albert Einstein and beloved singer Kate Smith, quintessentially American writers like Mark Twain, legendary vaudevillian performers, as well as the pioneers who first ventured into this awesome land.

The jokes and stories Adirondackers tell one another are a cheery kind of humour, upbeat and positive. A great book to take along on your next visit to the breathtaking Adirondacks or when you want to reminisce about this magical place. One thing is for sure--there's something funny going on here!
