Midnight Alley (Morganville Vampires) Rachel Caine

When Claire Danvers learned that her college town was run by vampires, she did what any intelligent, self-preserving freshman would do: She applied for a transfer and stocked up on garlic. The transfer is no longer an option, but that garlic may come in handy. Now Claire has pledged herself to Amelie, the most powerful vampire in town. The protection her contract secures does little to reassure those closest to Claire. All of a sudden, people are turning up dead, a stalker resurfaces from her past, and an ancient bloodsucker extends a chilling invitation for private lessons in his secluded home. To what end, Claire will soon discover-and it will give a terrifying new meaning to night school.
