Micah Wolfe is one cocky, sexy, son-of-a-gun. He wears many hats—former intelligence officer, Equalizer, rancher, and a secret career that's about to become public knowledge—erotic writer Don Juan. To most he seems like an open book: flirtatious, audacious, and devil-may-care. But there's a side of Micah that he keeps locked away. He's been hurt, suffered loss, closed away parts of his heart so no one will have the power to hurt him again. But the winds of change are blowing...

Madison Fellows is at the end of her rope. For every step forward she gains, life knocks her back two. She can't even stay in her own apartment because she doesn't feel safe from her flighty mother's abusive husband. But sometimes the storms in life push us to the perfect place at the perfect time—Cinderella meets the man of her dreams when she least expects him. Madison runs to a homeless shelter where Micah is volunteering. Seeing her struggle to protect what little she has, he loans her a simple item that will become an unlikely symbol of their love. A lock. An ordinary lock.

Micah has no shortage of beautiful women; he attracts them like flowers draw bees. But there's something different about Madison—she's real, she's sweet and he fast becomes addicted to her taste. Join them on their journey of love fraught with adventure, intrigue and steamy to-die-for sex. The quintessential bachelor meets the woman he can't forget—the woman who'll hold The Key To Micah's Heart.
