Have you ever completed an afghan and thought there was just something missing? It was really pretty but...well, it seemed to need something else and it wasn't fringe! What that afghan probably needed was a border. And this book by Jean Leinhauser gives you 50 of them, which can be added to just about any afghan, whether it's knitted or crocheted, to provide the finishing touch. Some of the borders are wide and ruffled, some are narrow and tailored. Others are very feminine, some are more masculine. All of them are fun to work and will turn the plainest afghan into something very special. Stapled; 32 pages.
