“The healing process allows people to find a place in their hearts for their beloved, allowing room for joy to return.” In Woodhaven Run, Michigan, Nivie, Bryn and Jacqueline have animals who, as important members of their families, touch their lives in many ways. But, when a beloved animal dies, how can they go on? Mothers and daughters, husbands and wives, children and friends struggle with the painful inevitability. Through the ebb and flow of life, animals connect them to one another and help them to heal.
