Messi: More Than a Superstar

Luca Caioli

Messi: More Than a Superstar Luca Caioli

This is an updated edition of Luca Caioli's best-selling biography, including the dramatic 2013/14 season and the 2014 FIFA World Cup, in which Lionel Messi's match-winning performances finally began to win over his harshest critics—his fellow countrymen.

Messi is a revealing portrait of soccer's most unassuming superstar with numerous exclusive testimonies to tell Messi's story, including an interview with the man himself. It charts his successful battle to overcome a career-threatening growth hormone deficiency, following which he has proceeded to win almost every award and trophy, including an unprecedented four FIFA Ballons d'Or, the Oscar of world soccer.
