Lady Sabrina Dunfield is desperate. Widowed and destitute, she must rely on the dubious benevolence of her secretive uncle, an art collector living in Venice. Determined to make her way and provide for her young son, Sabrina is forced to take on clandestine and dangerous errands for her tyrannical relative. But when a mysterious shadow man saves her from an assassin's blade, she knows she must do everything in her power to keep her son safe. Alessandro D'Este, Prince of Auriano, is cursed. Doomed to live a life half in shadow, he is determined to free himself and his family from the evil that stalks them. When Alessandro saves the English woman's life, he is captivated by her beauty and shocked at her ability to touch him in his shadowy form. When Sabrina meets Alessandro in his human form, heady attraction sparks between them. She has no idea he is her shadowy savior, and she wonders what her life might be like with this charismatic man. Alessandro has never met a woman who affects him this way. Although life has taught him to trust only family, Sabrina might be the key that could deliver him from the diabolical darkness.
