### **Everyone has secrets...**

But not everyone's secrets are buried as deep as Merrie Taylor's. A single night of passion two years in the past turned Merrie's life upside down, but she wouldn't change things for all the tea in China. Her beautiful daughter Elise is her entire world. She might not have planned on becoming a single mother, but she's made a safe and loving home for her daughter, and she's not looking for any trouble.

### **Everyone has a past...**

But not everyone can remember that past. Michael Coyle is missing the past three years of his life, thanks to a helicopter accident in Afghanistan. When he transfers to a private hospital to begin his rehabilitation, he's haunted by the notion that he knows his beautiful nurse from somewhere. He can't quite put his finger on the nature of his relationship to her, but he can tell that she's hiding something from him. Something big. And if he gets his way, she won't be able to hide for long.
