Interview with the Author:

Q – Why do you enjoy writing children’s books?

A – It’s a mixture of things, actually. I loved reading as a child. I would often spend my weekends either at the local library, or curled up in our lazy-boy chair reading. I knew I wanted to instill that love of reading into my children from as early an age as possible. The first children’s book I wrote was called, Casey’s First Tooth, about my oldest daughter getting her first tooth. The kids still laugh when they read that one!

Q – What do you hope readers will enjoy most about your children’s books?

A – I hope that parents will discover a fun book that their kids will enjoy reading over and over again. Plus, I hope that kids will enjoy trying to read my books, have fun being read to, and love the fun illustrations.

Thanks for reading!
