**The Nostradamus Code (The Relic Hunters Book 5)** P.W. Child, Matthew King

Join Mark Lockheed for his most important adventure yet. He has made a career out of seeking objects, tangible knowledge for the world to see and adore, but what will happen when knowledge itself becomes the unstoppable enemy? Something mysterious and terrible has taken grip of a small village in rural India, and Kathy, the love of Mark's life, is caught up in it. She is not herself. Can Mark get there in time to save her? Can she be saved? Can anyone?

The fast-paced action will have you wondering what will happen next, but you'll also be enticed to think about the greater concepts of awareness and understanding. What happens when people know too much?

The Nostradamus Code leads the reader on a roller-coaster ride in search of a legend. Packed with breathtaking suspense and nerve-shredding action, The Nostradamus Code is a thrilling read for all fans of action, suspense, and intrigue.

A word from the author: Hello and thank you for your interest in my book. It has come to my attention that some people have been mistaking my books for those written by the famous author duo Douglas Preston and Lincoln Child. This is not the case. I wish to clarify that I am not, by any means, related to Douglas Preston or Lincoln Child, Lee Child or any other author called Preston Child. I hope this clears up the confusion.
