Dating Advice for Women:: How to Get out of the Friend Zone Emily Devonshire

Would you like to know how to get out of the friend zone?

Are you tired of always being put in the friend zone with guys you would like to date?

In this book on Dating Advice for Women, you will learn 10 tips for getting out of the friend zone and right into the relationship zone. Do you want to become his new girlfriend? This book gives 7 do's and 3 don'ts. Each chapter focuses on one specific tip. There may be things you are doing right now that are keeping you in the friend zone. There are also things you shouldn't be doing, and when you stop doing those things he will see you differently, and take your relationship to the next level. Find out how to stop being friend zoned so you can start having dating success and end dating anxiety.

Here's what you will learn in this dating guide for women on getting out of the friend zone:

Would you like to bond with him?

There is something you are doing right now that comes naturally to most women, but it won't create a bond with him like you think it will. Find out what will actually create a bond between you and your guy friend.

Are you making yourself too available for him?

Find out how to change that so he views you as a high value woman who has a life of her own.

Does he know he has you wrapped around his little finger?

He is less likely to take you for granted if he observes you being open to other relationships. Find out how viewing him as only one option will change the way he sees you, and create a little competition.

Are you giving more than you are receiving in the relationship?

Find out why creating boundaries is important and how to switch the dynamics from you always meeting his needs, to him being there for you.

What else will you learn in this book about “How to get out of the friend zone?”

How to let down your guard and make him see you in a new light.

How to stop being “one of the guys.”

How to throw out bait using 4 lines that will test the waters in your relationship.

How to know if it’s time to tell him the truth about your feelings.

How to know if he likes you, but is too shy to show it.

And much more!
