Ice Lyn Gardner

****Finalist in the 2015 National Indie Excellence Book Awards for LGBT Fiction** **Winner of the Gold Medal in the 2014 Global Ebook Awards in Gay / Lesbian / LGBT Fiction** **Indie Book of the Day – April 19, 2013**** The last time Maggie Campbell and Alexandra Blake worked together, they both received two-week suspensions. This time...it's worse. When a boy is kidnapped from a London park, Detective Inspectors Alex Blake and Maggie Campbell are brought together to work on the case. While their goal is the same, their work ethics are not. Intelligent, perceptive and at times disobedient, Alex Blake does what she believes it takes to do her job. Maggie Campbell has a slightly different approach. She believes that rule books were written for a reason. Unexpectedly, their dynamics mesh, but when her feelings for Alex become stronger than she wants to admit, Maggie provokes the worst in Alex to ensure that they will never be partners again. Three years later, fate brings them together again. Their assignment is simple, but a plane crash gets in their way. Now, in the middle of a blizzard, they have to try to survive...and fight the feelings that refuse to die.

From reader reviews:

Shiela Steen:

What do you about book? It is not important along with you? Or just adding material when you want something to explain what the ones you have problem? How about your time? Or are you busy man? If you don't have spare time to complete others business, it is make you feel bored faster. And you have time? What did you do? All people has many questions above. The doctor has to answer that question due to the fact just their can do which. It said that about book. Book is familiar on every person. Yes, it is suitable. Because start from on guardería until university need this particular Ice to read.

Gary Lopez:

This book untitled Ice to be one of several books this best seller in this year, here is because when you read this guide you can get a lot of benefit in it. You will easily to buy that book in the book retail outlet or you can order it via online. The publisher of this book sells the e-book too. It makes you quickly to read this book, as you can read this book in your Smart phone. So there is no reason to your account to past this publication from your list.

Andrew Wilson:

Reading a e-book can be one of a lot of exercise that everyone in the world loves. Do you like reading book thus. There are a lot of reasons why people fantastic. First reading a guide will give you a lot of new details. When you read a guide you will get new information because book is one of various ways to share the information or maybe their idea. Second, studying a book will make anyone more imaginative. When you reading a book especially hype book the author will bring you to imagine the story how the character types do it anything. Third, you may share your knowledge to other individuals. When you read this Ice, you could tells your family, friends along with soon about yours reserve. Your knowledge can inspire others, make them reading a publication.

Matthew Haley:

Reading a guide tends to be new life style within this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Along with book everyone in this world may share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their very own reader with their story as well as their experience. Not only the story that share in the publications. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors in this world always try to improve their skill in writing, they also doing some analysis before they write on their book. One of them is this Ice.
