## **Promises to Keep** Victoria Alexander

Katherine Bedford has had what, to most observers, seems an extraordinary life full of success and achievement and wealth. But looking back, the elderly woman sees only a life shallow and empty and alone. All because of one decision that changed everything forever. One mistake she has regretted for more than half a century.

Now, all she wants is the present she turned down decades ago, a gift from Santa offered with a hint of magic on a snowy Christmas Eve. All she wants is a second chance and the keeping of promises made a lifetime ago.
