Love. Lies. Deceit.

Independent Ashanti Haynes has sworn off men. That is, until she meets the rich and powerful dealer Terrance King, who sweeps her off her feet and makes her question everything she stands for.

Terrance is honest about his love for Ashanti - but that's where the truth stops. Everything about his life down to his own name, is fabricated, and he plans on keeping it that way. But he doesn't realize that the man whose identity he stole years ago is back in town and hellbent on getting revenge.

Harmony King is an innocent pawn unknowingly caught in the middle of the storm, struggling to keep her marriage with Terrance from crumbling. What she doesn't know is that the man she's been sleeping next to for the last three years is *not* the man she married... literally.

As one of Terrance's most loyal soldiers, Michael Hall's proven himself trustworthy through it all. But he sets aside his loyalty and puts his life on the line when he decides to scheme against Terrance, determined to take the city's most powerful kingpin down and put the rightful King back on the throne. But will Michael lose the love of his life, Trina, in the process?

Who will come out on top, when all is said and done?
