**The dark Side of the internet: Av Gabriel Lundgren** Gabriel Lundgren

During this time, I was a guy who went to University. My friends told me about this part of the Internet.

Where you could get access to whatever you could think of.

A long time passed and I started to get a grip on this.

Until one day, when I accidentally clicked my way to a creepy internet site.

I was shocked by what the sick people did to them.

I asked them to stop.

One user wrote: "Terrible mistake my friend."

After this day. terrible things is hunting me.

Who were they, why did they do this to me and how did they get access to my personal information?
